The list below provides the names of generic prescription drugs in the same Therapeutic Class as the SK Life Science, Inc. (SKLSI) product. Note that the drugs listed are not necessarily the generic form of the SKLSI product. Rather, these drugs could be the generic form of a non-SKLSI drug in the same Therapeutic Class. This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product’s FDA-approved label and indication for further information.

Generic Drugs in Same Therapeutic Class*

lamotrigine

oxcarbazepine

carbamazepine

Data pulled: July 28, 2020

XCOPRI® is a registered trademark of SK Biopharmaceuticals, Co., Ltd.

*Colorado law requires manufacturers to provide the names of generic prescription drugs from the same “therapeutic class” as the marketed drug. Colorado defines “therapeutic class” as “a group of similar drugs that have the same or similar mechanisms of action and are used to treat a specific condition.” Based on SK

Life Science, Inc.'s interpretation of that definition, the listed generic prescription drugs are in the same "therapeutic class" as XCOPRI®.
