

**Investigator Initiated Studies (IIS)
Clinical and Clinical Data Related Study Request**

STUDY INFORMATION

Title	
Study code (to be provided by SKLSI)	
Active substance (if applicable)	
Investigator	
Sponsor Institution	
Sponsor Study Coordinator	
Country(-ies) of study	
Publication Plan	
Total Funding Requested (In USD)	
Estimated Start and End	
<p>Please provide the expected benefits and new challenges that may emerge based on the outcome of this proposal. Challenges could be a result of inferences and or misperceptions based on study outcome(s). Regional differences could exist and if so, provide context. If not applicable, enter "NA".</p>	
To healthcare providers	<p>Benefits:</p> <p>Challenges:</p>

<p>To patients</p>	<p>Benefits:</p> <p>Challenges:</p>
<p>For patient access</p>	<p>Benefits:</p> <p>Challenges:</p>
<p>To Xcopri's Lifecycle</p>	<p>Benefits:</p> <p>Challenges:</p>
<p>➤ Request Review Date & Decision</p>
