Information for Colorado Prescribers of Prescription Drugs

XCOPRI® (cenobamate tablets) CV

- The following information is being provided to Colorado prescribers pursuant to Colorado statute C.R.S. 12-280-308.

- The prices listed below represent the Wholesale Acquisition Costs ("WAC") as made available to the public by a third-party publisher. WAC represents published catalogue or list price and may not represent actual transactional prices. For example, WAC does not reflect discounts, rebates and other reductions in price. The actual price paid by patients may differ and is dependent upon the individual patient's insurance. The listed pricing information does not imply safety or efficacy of the product, and no comparisons should be made.

The list below provides the names of generic prescription drugs in the same Therapeutic Class as the SK Life Science, Inc. (SKLSI) product. Note that the drugs listed are not necessarily the generic form of the SKLSI product. Rather, these drugs could be the generic form of a non-SKLSI drug in the same Therapeutic Class. This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.

Generic Drugs in Same Therapeutic Class*

lamotrigine

oxcarbazepine

carbamazepine

XCOPRI® is a registered trademark of SK Biopharmaceuticals, Co., Ltd.

*Colorado law requires manufacturers to provide the names of generic prescription drugs from the same "therapeutic class" as the marketed drug. Colorado defines "therapeutic class" as "a group of similar drugs that have the same or similar mechanisms of action and are used to treat a specific condition." Based on SK Life Science, Inc.'s interpretation of that definition and references to ASHP classification system, the listed generic prescription drugs are in the same "therapeutic class" as XCOPRI®.
